

## **Kennesaw State University 2014-2015 Financial Aid Information**

Financial Aid notifications are available on a rolling basis beginning in March.

When you receive notification via [Owl Express](#):

1. Review your 2014-2015 Financial Aid award and decide whether or not you will accept all or part of your financial aid package.
2. Indicate your acceptance or rejection of loans. If you are accepting any part of the loan, please indicate the amount of the loan you wish to borrow.
3. Your acceptance of the awards listed will allow the Financial Aid Office to process the receipt of funds.
4. Enrollment status directly affects eligibility for certain aid types.
5. If, after the term begins, you consider dropping a course or withdrawing from the University, please be aware aid may be reduced or cancelled.
6. Eligibility for financial aid is based on the definition of "An Academic Year" as prescribed by the U. S. Dept. of Education. KSU's academic year is Fall, Spring, and Summer terms.
7. A student may NOT receive financial aid at two schools simultaneously.
8. Carefully read the remainder of this information as it contains very important information and policies concerning your financial aid package.

### **About your 2014-2015 Financial Aid Package**

Your 2014-2015 financial aid notice, which is awarded based on full-time attendance, may include one or more of the following (Disbursement of aid will not occur before classes begin and enrollment is verified.):

**Federal Pell Grant:** This federal grant is available to undergraduate students who have NOT received a baccalaureate degree. Eligibility is determined by the Expected Family Contribution (EFC) as calculated using information provided by the student/parent on the FAFSA. Funds from this award will be divided equally between the Fall and Spring semesters and will be credited to the student's account accordingly. If a student has remaining eligibility for Summer, a determination will be made regarding the amount available (based on the yearly awarded amount and enrollment status).

A Pell Grant award is based on the number of hours a student is enrolled. Typically the posted award amount is based on full-time enrollment. Should a student not enroll for 12 or more hours (full-time), the award will be prorated at

disbursement based on enrollment, i.e.,  $\frac{3}{4}$  time,  $\frac{1}{2}$  time,  $< \frac{1}{2}$  time. Award amounts vary – yet may range from \$595-\$5,730 annually.

**Federal Supplemental Educational Opportunity Grant (FSEOG):** This federal grant is awarded based on the student’s EFC and the availability of funds. Eligibility is based on a first-come-first-served basis. Only students who are Pell Grant eligible may receive this grant (undergraduate students who have not received a baccalaureate degree). This fund is extremely limited and not all eligible students may receive funds.

**Federal Direct Subsidized Stafford Loan:** This is a low interest loan that enters repayment six months after the student ceases to be enrolled at least on a half-time basis (6 hours). The term “Subsidized” means that the government pays the interest on the loan while the student is enrolled in school. Students must be enrolled in 6 hours or more to be eligible during a specific term. Eligibility is determined by filing the FAFSA. This is a need-based loan.

**To complete the process, please go [here](#). This provides you a step by step process. New borrowers will also need to complete an [Entrance Counseling](#). You will only need to complete these documents (Prom Note and Entrance Loan Counseling) ONCE while attending KSU. For additional information regarding Direct Loans, go [here](#).**

**If a student borrower withdraws or drops below  $\frac{1}{2}$  time, an [Exit Loan Counseling](#) must be performed before returning to KSU – even if the student intends on returning the following term.**

**Freshmen may be eligible to borrow up to \$3,500, sophomores \$4,500, juniors and seniors \$5,500.** If the student indicates on the FAFSA their wish to receive a student loan, during the awarding process a loan will be offered as part of the financial aid package. If the student did not indicate their wish to receive a student loan, a Loan Request Form is required. The “[Loan Change Request](#)” must be completed. After the loan is awarded and accepted by the student via Owl Express, the student will be required to complete a prom note. The [Master Promissory Note for Direct Lending](#) must be completed and must be signed electronically (utilizing the student PIN# - it can be retrieved at [www.pin.ed.gov](http://www.pin.ed.gov)). This is required for the loan to disburse. Also the student must complete an [Entrance Loan Counseling](#). In addition, should the student withdraw from the University prior to the school receiving the loan disbursement, the student will be ineligible to receive the loan award, and the funds will be returned.

**Federal Direct Unsubsidized Stafford Loan:** This loan program provides financial assistance to all eligible students regardless of income. The FAFSA is required for determining eligibility. This loan is very similar to the Subsidized Stafford Loan in that the repayment terms and loan limits by class standing are

the same. The difference is that the student, rather than the federal government, is responsible for paying the interest on the loan while he or she is enrolled. Loan proceeds from the Unsubsidized Stafford Loan will be disbursed like the Subsidized Stafford above, and the total amount of both the Subsidized and Unsubsidized Stafford Loans may not be more than the annual loan limits set for the student's class standing. Students must be enrolled in 6 hours or more to be eligible during a specific term. All eligible undergraduate students are eligible for \$2,000 annually – in addition to the amount of Stafford eligibility, i.e., Freshmen = \$3,500 + \$2,000.

**Federal Perkins Loan:** This federal loan is made to the student from KSU rather than an outside lender. It is available on a limited basis according to funding as prescribed by the U. S. Dept. of Education. Students may receive it on a first-come-first-served basis. This loan is low interest (5%). The student enters repayment nine months after ceasing to be enrolled at least half-time (6 hrs). If the student accepts this loan, a promissory note will be prepared for him or her to sign in the Bursar's Office. Proceeds from this loan will be equally divided between the Fall and Spring terms (very limited or no funding is available for Summer).

**Federal College Work-Study:** The Federal Work-Study ([FWS](#)) Program provides jobs for undergraduate and graduate students who demonstrate financial need. FWS gives the student an opportunity of working on campus or in a community service position on a part-time basis. FWS students may work up to 20 hours per week. Pay rate is based on grade level: Freshmen are paid based on the minimum wage (as determined by the U. S. Dept of Labor). Sophomore, Junior, and/or Senior students are paid no less than \$7.25/hour. The FAFSA is required. For additional information please visit our [Federal Work Study Program page](#). Funding is limited as prescribed by the U. S. Dept. of Education.

**Federal Direct Parent Loan for Undergraduate Students ([PLUS](#)):** This federal loan is a long term, low interest loan available to parents of dependent students regardless of income level. KSU requires the completion of the FAFSA to receive this loan. The annual loan limit is equal to the cost of attending KSU less any financial assistance the student is receiving. This loan enters repayment 60 days after the last disbursement of each year. Parents must demonstrate credit worthiness to receive this loan. The loan proceeds are divided equally between the Fall and Spring terms. The student must be enrolled when the disbursements are received by the school. A separate loan application must be filed in order to receive these funds. A [Direct PLUS Loan Promissory Note](#) must be completed with the U. S. Federal Government. While at KSU – this form must be completed only once. The application process for the PLUS Loan must be followed by clicking this [link](#).

**Georgia HOPE Scholarship and Grant:** The [HOPE](#) program is a state scholarship funded by the Georgia State Lottery for Education. The HOPE scholarship will pay for as many hours as a student chooses to enroll (within the 127 attempted hours rule – hard-cap rule). For eligibility criteria and specifics regarding the HOPE Program, please view [GAcollge411 site](#). Students must complete the [FAFSA](#) or the [Georgia Scholarship/Grant Application \(GSFAPPS\)](#).

**KSU Foundation Scholarships:** There are need-based and merit scholarships available for both undergraduate and graduate students. Available scholarships are listed under the appropriate college. For information, please visit the [Kennesaw State University Scholarship Web Site](#).

### **Terms of Your Financial Aid**

- Students are awarded financial aid based on FULL-TIME enrollment status (15 hours) unless the student informs the FAO otherwise. Financial aid packages for students enrolled less than full-time may require adjustments. It is the student's responsibility to notify the Office of Financial Aid of his or her less than full-time enrollment status. Eligibility for awards varies with enrollment status. Students must be enrolled in an eligible program of study to receive any financial aid (student must be in a degree-seeking status to receive financial aid).
- If you receive any financial assistance from any source other than what is shown on your award notification, your financial aid package must be adjusted. Kennesaw State University reserves the right to change the content and amount of any student's financial aid package based on additional financial assistance received by the student at any point in the academic year.
- Your financial aid award is subject to change or may be adjusted at any point in the academic year due to Kennesaw State University's correction(s) and/or change(s) in federal/state appropriations. We routinely audit our financial aid files throughout the academic year to check for accuracy. KSU reserves the right to make corrections to a student's financial aid information as needed and these changes may alter a student's Expected Family Contribution (EFC) or award eligibility and subsequently the financial aid package. In addition, please remember that changes in your EFC due to student's/parent's failure to report accurate information on the FAFSA will result in award revision(s) as well. KSU reserves the right to adjust the content and/or the amount of the student's financial aid package based on the above conditions at any point in the academic year.
- If you correct your Student Aid Report (SAR) after you have been awarded, your financial aid package may be adjusted in accordance with federal regulations at any point in the academic year. KSU reserves the

- right to adjust the content and/or the amount of the student's financial aid package based on the above conditions at any point in the academic year.
- If you withdraw after the term begins, your financial aid package is subject to proration as set forth in the federal regulations. If, after the federally prescribed proration is calculated, we have to reduce your financial aid package, you may owe a balance on your account. This balance is your responsibility to pay, not KSU's responsibility. Institutional aid (including scholarships) may be prorated if tuition charges are adjusted. For further information, click this [link](#).
  - Contents of the student's financial aid file are the property of the Kennesaw State University Office of Financial Aid. These files are considered confidential information. Requests by the student to review his or her file must be made in writing. Requests by the dependent student's parent(s) to review the student's file must be made in writing, and the student must give his or her written consent to release the information. Once a request is received, KSU has 45 days to make the requested information available for review. This review will take place in the Office of Financial Aid at a time convenient for the student, dependent student's parent(s) and the Office of Financial Aid. This review will NOT take place the same day the written request for review is received by the Office of Financial Aid. Requests by anyone other than the student and/or the parent(s) must be approved by the student. A "[Student Consent Form to Release Information](#)" must be completed by the student and submitted to the Office of Financial Aid. This policy is in compliance with the Family Educational Rights and Privacy Act (FERPA) of 1974, 20 USC § 1232g and 34 CFR § 99.
  - In the case of a divorced/separated student, the ex-spouse is not privileged to any financial aid information on the student.
  - In the case of a divorced/separated parent of a dependent student, the non-custodial parent is not privileged to any financial aid information regarding the student unless that non-custodial parent's financial information was used to calculate the student's eligibility for financial aid.
  - For the protection of the student, as well as the protection of the staff of the Office of Financial Aid, we will not release information regarding the student's financial aid package over the phone.
  - Students must apply for need-based financial aid each year; financial aid awards are NOT automatically renewable. We cannot guarantee that the same level of funding will be available each academic year. Funding levels from the federal government, the state, and the University change each year. As a result, need-based financial aid packages may vary annually in content as well as total amounts from year to year. The Office of Financial Aid at KSU reserves the right to change packaging policies annually.
  - If your permanent home address changes at any time, it is your responsibility to notify the University of your change of address

- immediately. Because the Office of Financial Aid communicates with you via email, it is your responsibility to ensure the accuracy of the address.
- Students who leave the University through transfer, graduation, or any other form of leave are not entitled to the remaining eligibility of institutional aid/scholarships and will forfeit such remaining eligibility.
  - Students attending the Summer term are eligible for financial aid based on remaining eligibility for the academic year. Federal funds, i.e., Student Loans, are based on an annual limit. If the annual amount has been utilized for previous terms (whether at KSU or at other post-secondary schools), the student is not eligible for additional funding for the Summer term. The student must be enrolled in at least 6 hours during the Summer term to receive a student loan.
  - Current year financial aid may not be used to pay prior year balances.
  - Students with student loans, who withdraw from school, must complete an Exit Interview before returning – even if the student returns the next term.
  - Students and/or parents who report “No Income” on the FAFSA, or report an income that appears to be exceptionally low, are required to provide additional documentation. The student and/or parent will be contacted by the Financial Aid Office regarding this need.
  - Students who wish to apply for an [alternative loan](#) (non-federal loan) must complete and file the FAFSA. International students must provide a written statement appealing this policy.
  - Annual student loan eligible amounts will not be awarded for one term.
  - The Financial Aid Office reserved the right to deny a student a loan – federal or alternative – based on specific federal guidelines. Students who have previously defaulted on a student loan may be denied on a case-by-case basis.
  - Financial Aid will disburse to a student’s account in the Bursar’s Office following the completion of the “Drop/Add Period.”
  - A student may NOT receive financial aid at two schools simultaneously. This is not allowed by federal law. Should this be discovered, aid may be removed at KSU and the student will have a balance due to the Bursar’s Office.
  - Once a student receives a bachelor’s degree – to return to KSU and receive an additional bachelor’s degree, a student must be in a degree program other than the one previously completed.

### **Cost Summary** “Expenses Fall 2014 and Spring 2015”

A listing of direct cost can be obtained at the following link:  
<http://www.kennesaw.edu/finance/bursar/tuitionfees.html>

For information regarding payment options, please view the 'How to Pay' link at: <http://www.kennesaw.edu/finance/bursar/payments.html>

### **Financial Aid Enrollment, Refund, and Repayment Policies**

**Enrollment Policy:** To be eligible to receive need-based financial aid other than the Federal Pell Grant, a student must be enrolled at least half-time (6 hours) in a program leading to the receipt of a degree. A student who is enrolled less than half-time may be eligible to receive a Pell Grant as long as the student is seeking their first baccalaureate degree. A student's financial aid award may be adjusted at any point in the term due to enrollment changes or noted errors on the part of the student/parent or institution.

**Refund Policy after Official/Unofficial Withdrawals (Title IV Funds):** To withdraw officially from the University, a student must complete an official withdrawal form in the Office of the Registrar or online. The date the Registrar's Office signs and approves the withdrawal form is the official date KSU will use in the calculation of any tuition refund or refund to Federal student aid and/or HOPE scholarship programs. Students who do not formally and completely withdraw are not eligible for a refund.

As part of the Higher Education Amendments of 1998, Congress passed new provisions governing what must happen to your Federal financial assistance if you completely withdraw from school in any semester. If a student withdraws from KSU, then the University or the student may be required to return some of the federal aid and/or HOPE Scholarship funds awarded to the student.

**Title IV Funds (Federal):** For those students who withdrew and are receiving federal funding, the refund policy of Title IV Funds (back to federal programs) is dictated by federal regulations governing Title IV financial aid programs. These programs must be refunded according to the calculations prescribed by federal regulations based on the date of withdrawal and percentage of time enrolled. Within 45 days of the date of withdrawal being determined, the amount of funding that must be returned to the Title IV programs will be calculated, and the student's financial aid award will be adjusted accordingly. This will occur within 45 days of the official date of withdrawal, or, in the cases of unofficial withdrawals (see below); the date that the school has determined the student has withdrawn. Students who have federal loans are required to complete an exit loan counseling.

**Non-Attendance/Unofficial Withdrawals:** Students who register for classes, and do not attend at least one class session, are not eligible to receive any federal, state, or institutional funds. Students who attend at least one class, cease attending all classes, and do not officially withdraw from the University, are considered to have unofficially withdrawn and are subject to proration even if the

school becomes aware of the lack of attendance at the end of the term or after the term has concluded.

***Repayment Policy After Official/Unofficial Withdrawals:*** In the case of an official or unofficial withdrawal from the University, a student who receives a cash disbursement of Title IV financial aid funds may have to repay the University a percentage of those Title IV funds depending on the length of enrollment and the amount of financial aid awarded to the student. If, according to the federal calculations, a student has been “overpaid,” the student will be required to repay the excess amount to the University for reimbursement to the federal programs. If the student fails to repay the calculated amount, the student will be reported to the U. S. Department of Education and will be ineligible for any other Title IV assistance at any school.

### **Satisfactory Academic Progress (SAP)**

Federal regulations, HEA Sec. 484(c), §668.16, 668.34, require all schools participating in Title IV federal financial aid programs to have a Satisfactory Academic Progress (SAP) policy that conforms to the requirements detailed below. These requirements apply to all students as one determinant of eligibility for financial aid.

- Your SAP status is based on your entire academic record, at all schools attended (includes all transferrable hours), regardless of whether you received financial aid.
- SAP is calculated each semester after grades have been posted to academic history by the Registrar’s Office.
- If after the first term of attendance you are not making SAP, you will be put on a **Warning** status and allowed to keep aid for one term. Your continued eligibility will be determined after the next term checkpoint.
- If your SAP status is **Failure** after the check is performed, you will not qualify for financial aid for the following term.
- If your SAP status is **Failure** and you cannot mathematically attain SAP requirements following the next term, an appeal will not be permissible. Documented mitigating circumstances may allow continued eligibility on a case-by-case basis and will require an academic plan.
- A student may appeal their SAP Failure status **only twice** during their academic career at KSU. Documented mitigating circumstances may allow additional appeals on a case-by-case basis.

### **Quantitative and Qualitative Requirements**

1. **Quantitative Requirement** – The quantitative requirement has two parts:
  - A maximum time frame
  - A required completion ratio

### **Undergraduate Students**

**Maximum time frame (maximum attempted credit hours)** – You must earn your degree before reaching 185 *attempted* credit hours, which includes transferrable credits attempted at any school prior to and while enrolled at Kennesaw State University (KSU). Students who are seeking a second undergraduate degree different from their first degree may be granted additional hours to complete the second degree requirements. Note “Determining Maximum Time Frame” below.

Once you reach the maximum attempted credit hours, you are no longer eligible for financial aid as an undergraduate student. Federal regulations stipulate that the maximum time frame for an undergraduate student cannot exceed 150% of the published length of the academic program.

**Completion Ratio** – You must complete and pass at least 67% of all credit hours you attempted. Courses earned include grades of A, B, C, D, or S. Courses attempted include any course in which grades of A, B, C, D, F, W, WF, I, S, U or IP are given.

### **Graduate Students**

**Maximum time frame** – To determine the maximum time frame, multiply the total hours required for the degree by 150%. As an example, if the program required 33 hrs.  $\times 150\% = 50\text{hrs}$ . This includes credits attempted at any school prior to and while enrolled at Kennesaw State University (KSU).

**Completion Ratio** – You must earn at least 67% of all attempted credit hours.

2. **Qualitative Requirement** – The qualitative requirements sets a minimum Cumulative Grade Point Average for all students. Each student must maintain a cumulative 2.00 GPA each term to remain in good academic standing at KSU. The cumulative GPA includes grades of A, B, C, D, F, WF and I. The cumulative GPA, which is determined by the Registrar’s Office processes, will be checked each term for SAP.
  - **Undergraduate Students** – The cumulative GPA requirement is 2.00 for each term.

- **Graduate Students** – The cumulative GPA requirement is 3.00 for each term.

Please note, your GPA for SAP purposes may differ from your KSU GPA calculated by the Registrar's Office.

## Policy Details

### When is SAP determined?

- **Initial Review** – You are considered to be meeting SAP during your **first** KSU term.
- **End of Every Semester Review**- Your SAP status is calculated at the end of each semester, after grades are posted to your academic history by the Registrar's Office.

### What happens when you do not meet the requirements?

- You are no longer eligible for financial aid – including work study, loans, grants or scholarships. If you're on a **Warning Status** – eligibility may continue (note below).
- Because you do not qualify for financial aid, you must pay your tuition and fees by the payment deadline or your registration will be cancelled by the Bursar's Office.

**Maximum Time Frame (maximum attempted credit hours)** – When you have attempted the maximum credit hours, you are no longer eligible to receive financial aid.

**Is there extended eligibility for a 2nd bachelor's degree?** – Yes. You may attempt a total of 150% of the hours needed to complete your first degree plus 60 additional hours. The standard is  $123 \times 150\% = 185 + 60 = 245$  attempted hours.

**Low Completion Ratio** – There are two statuses for low completion ratio before your eligibility for financial aid is cancelled. Probation status is only allowed for one term.

- **Warning Status** – The first time you fall short of meeting the required completion ratio, your status is **Warning**. You remain eligible to receive financial aid while in warning status.
- **Failure Status** – After attending one semester on **Warning** status, if you do not meet the required completion ratio, your status becomes **Failure Status**. You are no longer eligible to receive financial aid until the required standards are met. You must successfully appeal to regain eligibility.

- **Probation Status** – After being placed on a **Failure Status**, **AND** a student has successfully appealed and financial aid has been reinstated, the student is eligible to receive financial aid. This probationary status requires an individual SAP Approval Agreement to set the criteria by which the student may regain financial aid eligibility. The student must meet the terms and conditions of the probationary status to continue to be eligible for financial aid.

### **How do you regain eligibility?**

- **SAP Appeal** – If extenuating circumstances during a specific term of enrollment prevented you from meeting the requirements, you may file a [SAP Appeal](#).

### **Appeal Requirements:**

- A typewritten explanation of extenuating circumstances associated with **Failure Status**. Indicate how these circumstances have changed so that you can comply with regulations in the future. Attach supporting documents to corroborate extenuating circumstances mentioned in the letter.
- Include a “student plan of action” for academic improvement. This requires that you meet with your Academic Advisor and receive a plan for getting back in good academic standing.
- Attach at least one letter of support from someone that can substantiate the extenuating circumstances. This individual should not be a family member. Examples would include a medical doctor, clergy, professional, etc.
- Attach the SAP Appeal form.
- The appeal form must be provided to the Financial Aid Office within the prescribed dates as noted on the SAP Appeal Form. Failure to provide these within the prescribed dates will result in a delayed determination.
- An objective committee, composed of selected individuals outside the Financial Aid Office, determines whether the appeal is approved. The decision of the Appeals Committee cannot be appealed further.

**Appeal Denials or Non-appeals** – If you are denied an appeal or you decide not to appeal, you must complete the necessary hours and earn the appropriate grades. Once you have reached the prescribed standards you become eligible to receive financial aid.

**You change from undergraduate to graduate** – If you reach Failure Status as an undergraduate, and then are admitted to a graduate degree program, you will be eligible to receive financial aid as a graduate student. You must be in a degree-seeking status and fully accepted into the graduate program.

## Academic Circumstances that Affect Your Status:

- **Changes in major, double majors or minors** – may cause you to reach your maximum attempted hours, and lose your eligibility before earning a degree.
- **Incomplete grades, missing grades, failing grades, course withdrawals** – all reduce your completion ratio, because they are counted as attempted, but not earned credits. They also count against your maximum attempted hours.
- **Repeated courses** – count as attempted credit hours each time you register for them. They also count against the allowed maximum. This can also reduce your completion ratio because repeated credits count as earned credits only once. **NOTE:** The U. S. Dept. of Education allows only one retake for Title IV credit.
- **Academic Fresh Start** – count against your maximum attempted credits, and also lower your completion ratio because the credits count as attempted but not earned.
- **Transfer credits, credits taken while cross-registered, enrolled in study abroad, transient study** – count toward your maximum attempted credits and your completion ratio. **NOTE:** Credits count as attempted, but not earned, until your official transcript is reviewed and processed by the KSU Registrar's Office. This could cause you to be in a Failure Status.
- **Remedial courses** – do not count as either attempted or earned credits.
- **Late posted grades or grade changes-** will require that you submit a written request to have your SAP recalculated after you have confirmed with the Registrar's Office that the grade change has been posted to your academic record.
- **Dismissal and Return** – students who are suspended academically or choose not to attend because of SAP Failure will not be automatically eligible for financial aid upon their return. Student must meet both qualitative and quantitative standards of SAP. If below standards, a student must appeal or use means other than financial aid for educational expenses. **Absence does not restore eligibility for financial aid.** It remains the responsibility of the student to be knowledgeable of their SAP standard when returning to school after dismissal or choosing not to return because of SAP Failure.
- **Summer Term Courses** – all hours attempted and completed in the summer terms are treated as any other semester hours in determining SAP status. SAP will be checked following the summer term as well.
- **Audit Courses** – students are not eligible to receive financial aid for audit courses. Audited courses are not included in hours attempted or earned for SAP determination.

**Determining Maximum Time Frame:**

**Undergraduate students** maximum time frame is 150% x total number of hours required to complete their degree program. Ex., if a student is a Biology major, and the requirements listing in the catalog require 123 credit hours to complete this program, then a total of 123 hours is required for the degree x 150% = 185 attempted credit hours. The maximum number of hours is therefore 185 attempted hours for this student.

**For 2nd BA degree seeking students:** The maximum time frame (using the above example) is 245 attempted credit hours or 150% of hours needed to complete the first degree plus 60 additional hours. Ex.,  $123 \times 150\% = 185 + 60 = 245$ .

**Graduate & Professional students:** To determine the maximum time frame, multiply the total hours required for the degree (i.e., 33) by 150%. For this student, the maximum time frame would be  $33 \times 150\% = 50$ . Remember: ***The maximum time frame for graduate students is total hours required for the degree x 150% = maximum time frame.***

The Office of Student Financial Aid reserves the right to review denied appeals, cumulative GPA's and completion rates on a case by case basis.

### Emergency Loans

Students who are on SAP Failure are not eligible for an emergency loan for personal expenses or to cover direct cost at KSU.

**Students are NOT qualified, therefore ineligible to receive Emergency Loans if:**

- The student is on SAP Failure
- The student is on Academic Probation or Warning
- The student has NSLDS holds
- The student has Default Clearance or have been delinquent on previous Emergency Loans
- The student has Overpayment pertaining to federal grants/loans.
- The student has other Financial Aid Holds [e.g. Loan Exit Counseling]
- The student have already received a total of three (3) Emergency Loans while at KSU

**Types of Loans:**

- **Tuition and Fees Emergency Loans:** This loan amount is limited to resident tuition and fees only. This loan is granted to assist a student who

is unable to pay for Final Registration and Fees due to some mitigating circumstances beyond his/her control.

- **Personal Emergency Loan:** Loan amount of up to \$400.00 that may be granted for emergencies affecting the student's attendance or performance in school; after all tuition and fees are paid.

Emergency Loans are granted to students who have Emergency Situations arising during the time of enrollment, which may interfere with their continuous pursuit of education.

#### **Eligibility Requirements:**

- Must be a KSU degree-seeking student
- Must be enrolled during the semester in which loan is requested
- Must at least have 2.0 GPA
- Priority is given to Sr. or Graduating students
- Student must have attended at least one term at KSU

#### **Delinquent Loans:**

- No additional E-Loan would be permitted to a student, even if delinquent loan has been repaid
- A \$25.00 late charge will be added to all delinquent loans
- The student's records will be withheld, registration for classes in the next semester will not be permitted, and graduation participation will be denied until the loan is repaid.

#### **General Provisions for Emergency Loans:**

- A processing fee of **\$10.00 [Personal Emergency Loan]** will be added to loan amount, due at time of repayment
- A processing fee of **\$25.00 [Tuition & Fees Emergency Loan]** will be added to loan amount, due at time of repayment
- Repayment is **due in forty five (45) days** from the date of Promissory Note endorsement
- Repayment must be made in the form of cash, credit card, or financial aid monies
- Repayment is due in full on due date regardless if the student's federal financial aid funds has arrived and been disbursed
- Students may not receive Emergency Loans in consecutive semesters/terms

Any student, while attending KSU, may receive a maximum of three (3) E-loan

## RETAKE COURSEWORK

Schools may count towards enrollment status and award Title IV funds to a student who is repeating, for the first time only (i.e., one repetition per class), a previously passed course in a term-based program.

However, schools may not pay a student for retaking previously passed courses if the student is required to retake those courses because they failed a different course. For example, a student enrolls in four classes in the fall semester, passes three of them, and fails one. The school requires the student to retake the three classes because they failed the one class. The student retakes all four classes in the spring semester. The failed class would be counted towards the student's enrollment status (and could have Title IV aid awarded for it), but the three classes previously passed in the fall would not be counted towards the student's enrollment status and would not be eligible for aid.

The regulatory definition for full-time enrollment status has been revised to allow a student to retake (one time only per previously passed course), any previously passed course. For this purpose, passed means any grade higher than an "F," regardless of any school or program policy requiring a higher qualitative grade or measure to have been considered to have passed the course. This retaken class may be counted towards a student's enrollment status and the student may be awarded Title IV aid for the enrollment status based on inclusion of the class. A student may be repeatedly paid for repeatedly failing the same course (normal SAP policy still applies to such cases). If a student withdraws before completing the course that they are being paid Title IV funds for retaking, then that is not counted as their one allowed retake for that course. However, if a student passed a class once and then is repaid for retaking it and fails the second time, that failure counts as their paid retake and the student may not be paid for retaking the class a third time.

If a student who received an incomplete in a course in the prior term is completing the coursework in the subsequent term to erase the incomplete in the prior term, the student is not considered to be enrolled in the course for the subsequent term. Therefore, the hours in the course do not count toward the student's enrollment status for the subsequent term, and the student may not receive FSA funds for completing the course. However, if a student who received an incomplete in a course in the prior term is retaking the entire course for credit in the subsequent term, the hours in the course count toward the student's enrollment status, and the student may receive FSA funds for retaking the course.

In any case, retaken classes may count against satisfactory academic progress, and the student's eligibility is still constrained by all the requirements of satisfactory academic progress.
